CHICKEN AND WILD RICE

TIL in 2005 graffiti artist David Choe was offered \$60,000 to paint murals at Facebook headquarters. He chose to take the compensation in stock. Eventually being worth more than \$200,000,000.

TIL when you cross a Zebra and a Donkey they make a Zonkey because they belong to the same genetic group but only when it is sired by a male Zebra with a female Donkey. If it's a male Donkey and female Zebra their offspring is known as a Zedonk.
