**NOW ON DRAFT**

**TIL** from the 1960s to the early 1990s, RadioShack had a "battery of the month" club. Members were issued a free wallet-sized cardboard card which entitled the bearer to one free battery a month when presented in RadioShack stores.

**TIL** Matt Damon wrote the first draft of Good Will Hunting's first act as an assignment in a playwriting class during his fifth year at Harvard. The only scene that survived verbatim from that "40-some-odd-page document" was the scene where Damon's character & Robin Williams' character first meet.
